Complete Aircraft Ferry/Delivery
and
Operations Support Service

Overview

Contractair

- Contractair Limited is part of an Aviation group that includes Contractair, Resource Consulting and Lufthansa Resource Technical Training (joint ventures).
- Based in the UK & Switzerland with operations offices in Basel, the UK and Asia. Together we have currently in excess of 800 flight crew and MRO personnel on assignment worldwide.
- Contractair is focussed on providing dedicated support to the Commercial and VIP aviation markets with an added focus on the quality of personnel that such operations require. A company that seeks to do things properly and add value to clients operations at fair and measurable cost.

Overview

Our Services

Contractair

We are able to tailor our services to your requirements, from a comprehensive Ferry/Delivery package to a Full Operational Support Service or simply providing Flight Crew from our extensive base of current Crews.

Our One Call service is available 24 hours a day, 7 days a week, giving you the peace of mind, in knowing that we are there to react quickly to your needs at any time

Meet the Crew

Contractair

Our Flight Crews are all qualified, experienced and current on the aircraft that you need to ferry thus minimising costs. We are able to provide crew at short notice and position them anywhere in the world as required.

All crews have either ICAO, JAA or FAA licenses, covering a variety of aircraft types, and we are able to facilitate license validations where necessary.
